*Light the Light . . .
Walk the Hope!*

December 13th

JERICHO *the voice for the powerless*

JERICHO is the only statewide non-partisan, interfaith advocacy and education organization which is dedicated to improving the lives of California's underserved, the disenfranchised struggling with poverty, disability and hopelessness. Without JERICHO, there would be no one speaking for and about these millions, many of whom are living without the barest of life's necessities. The problems they face are compounded by this time of job loss and economic upheaval.

*Light the Light . . .
Walk the Hope!*

Keep the flame burning in these difficult times. Give the gift of hope this holiday season by joining us in "Walk the Hope."

Enjoy the ambiance of the "Fabulous Forties" while you stroll by candlelight through this magically decorated neighborhood.

Holiday treats will be served along the way as you pause to enjoy groups of holiday singers. Ask your family and friends to support you in your walk and share the spirit of the season. This will be a wonderful event in which to involve your children.
